

St. PAUL/LIGHT STREET BANNER PROGRAM GUIDE
Biddle Street to Pratt Street
2010

Downtown Partnership of Baltimore holds an exclusive permit from the City of Baltimore to erect banners on streetlight standards (poles) along St. Paul/Light Street from Biddle Street to Pratt Street.

Downtown Partnership of Baltimore will schedule banners for installation following execution of the attached contract between Downtown Partnership of Baltimore and the sponsoring organization with full payment by the sponsor in advance. Banners are the property of the sponsor and must be claimed by the sponsor within 48 hours of being taken down.

Downtown Partnership is not responsible for disappearance of or damage to banners from any cause including but not limited to wind, weather, theft, vandalism, fire or acts of God. Downtown Partnership of Baltimore recommends that sponsors order more banners than will be erected for use as replacements in the event of damage or disappearance. The sponsoring organization is responsible for installation costs of replacement banners.

Two banners are installed on brackets on each light pole. The cost of installing banners is \$112.00 per pole. Downtown Partnership of Baltimore requires the sponsor to provide a certificate of insurance that covers the sponsor's property, as well as the property of the City of Baltimore and Downtown Partnership. **The coverage should include the following:** \$3,000,000 General Aggregate to include contractual liability, \$1,000,000 Personal & ADV injury, \$1,000,000 Each Occurrence and \$50,000 Medical Expenses (any one person). **"Certificate Holder" is to read:** Mayor and City Council of the City of Baltimore, its elected/appointed officials, employees and agencies shall be named as additional insured for this activity; Downtown Partnership of Baltimore, Inc. and its employees; Downtown Management Authority and its employees; F.W. Haxel Company, Inc.; and The City of Baltimore cannot be held responsible for any loss or damage, nor for any personal liability that may occur.

In the event banners are to be erected on light poles without brackets, the sponsor is required to purchase brackets at a cost of \$155.00 (or market price) per bracket or \$310.00 per set of brackets per pole in addition to the cost of banners and installation. The sponsor agrees that such brackets are the property of the City of Baltimore and will remain on the light poles for future use after the banners are taken down.
